Consulting & Resources

**We are here to help navigate you through any variety of tax related complexities you may be facing!**

The IRS' tax codes change from year to year, our expertise can help you comply with current tax regulations and possibly provide you with resources to take advantage of some adjustments, deductions, and credits - now or in the future. Or perhaps you have questions regarding your Business or even buying or selling a home; no matter is too large or too small and it's always a good idea to have a pro on your side!

If you have general questions that require simple answers, [EMAIL US](#). Should we deem your question(s) more complex, we will need to schedule you in for a consultation.

Consultations are set by the **half hour** or **full hour**, please visit our [RATES](#) page. If you'd like to move forward, please let us know your choice and what date/time works best for you; we will accommodate as best as possible.

**To help maximize your time with Bob, please provide us with some of your detailed questions ahead of your appointment.**

**[EMAIL US](#) for an appointment!**
